(Our new website [www.sjyba.com](http://www.sjyba.com))

To our Business Organizations and Residents of St. Johns and surrounding areas:

A new season of Youth Baseball is soon to be here!!!!

St. Johns Youth Baseball was formed in 1964 with the main purpose that every kid got to play, that they had fun, and to teach the kids the fundamentals of baseball. Winning or losing was at the bottom of our list as long as everybody enjoyed what they were doing. The name of the game is having fun.

St. Johns Youth Baseball Organization is currently soliciting funds and has previously solicited funds from the St. Johns Businesses and Individuals. These funds are / were used to sponsor teams, purchase equipment and uniforms for the players.

Before you decide on the amount of your donation please consider that Saint Johns Youth Baseball is currently updating the fields and current facility to better serve the needs of our organization. ***SJYBA will be adding one new field located behind Bee's for the new season.***

Listed here are some of the operating costs of the organization.

Baseballs, Umpires, Player Equipment, Field Maintenance and Field Labor, Insurance, Trophies, and Utilities.

Our 3 year plan (wish list) includes: lighting for back fields and concession area; portable outfield fence (at 200 ft.) for little league play, larger bleachers with roof pavilions; work vehicle for grounds; cement walkways, grass areas with shade trees, decking and benches by concessions. Updating Equipment & Grounds. Updating the lighting on the fields. Updating the Fencing & Dug outs and adding new score boards.

The SJYBA sponsorship program, has several different ways to sponsor Boys Baseball and Girls Softball.

◆ **Team Sponsorship**

Proudly display your business name and phone number on the front of the players uniforms.

◆ **Signboard Sponsorship**

All signboards are 4' x 8' Aluminum for high visibility representation and rugged enough to last years through the weather. The sign will be displayed for the full season. We are offering 1-Season and 3-Season sponsorship. Some signboards can be ordered single or double sided. Double sided sign boards will be placed on the Little and Minor fields.

◆ **Individual / Business Sponsorship**

This consists of several different levels for cash donations. Honor a family member or your military hero.

◆ **Diamond Sponsorship**

Personal Labor or Group Labor or Materials to help run and update Saint Johns Youth Baseball.

Each Sponsor will have a plaque on the Saint Johns Youth Baseball Proud *Sponsor Board*, also with our new website the league will post a list of sponsors with their company's name, phone number and web address.
